Product Information	<p>Carbonation in this sake comes only from fermentation process. It is natural gas and not injected, so that bubbles are small and fine. So, this sparkling taste resembles the light melody of the piano.</p> <p>This sake has fruity aroma like apples or pears. The sweetness comes from rice and it is easy-drinking. It is also perfect as an aperitif!</p>						
Food Pairing	<p>This sake that is balanced with fruity sweetness and fresh moderate acidity works well with appetizers. For example, Prosciutto crude with mellow, Grapefruit salad, and White fish carpaccio are a perfect match for this sake.</p>
