Product Information	<p>This sake is made with our original yeast derived from actual yellow cherry blossoms in Kizakura.</p> <p>Since the alcohol content is 12% and it tastes sweet, we recommend using wine glass which has you enjoy the fruity aroma.</p>					
Food Pairing	<p>This sake is a bit sweet, so it pairs well with dishes that are cooked with Hon Mirin like the Japanese dish, "beef and potato stew."</p>					
	<p>It also goes well with marinated seafood like "Salpicon de mariscos español" as the sweet flavors in the sake soften the sourness of the dish.</p>
