Product Information	Very refreshing carbonated Japanese sake!									
	This highball is Japanese R.T.D (ready to drink) sake cocktail. This sake has a crisp taste with slight rice aroma. Very food-friendly!									
	Best for serving with a few slices of cucumber or Japanese basil.									
Food Pairing	Its refreshing taste is highly suitable for strongly seasoned dishes with a lot of flavor. Spicy foods such as Korean or Thai cuisine also go well with this product.
