Product Information	Well-balanced between aroma and taste♪								
	This Junmai Daiginjo contains much "Ginjo" aroma, which is reminiscent of apples and bananas.								
	The sake is also categorized into Junmai, and contains more Umami, which makes it well balanced between aroma and taste.								
Food Pairing	Pairs well with sushi.								
	Sushi and Junmai Daiginjo is a very classic pairing as the fresh Ginjo aroma pairs nicely with fresh fish. The Umami in Junmai goes well with a little bit sweetly and sourly seasoned sushi rice.
