Product Information	Well-balanced taste between acidity and sweetness!								
	"Nigori" in Japanese means "Cloudy" in English. The appearance of Nigori sake is white color with cloudiness of ingredients like rice. Since we use a coarse filter in the process of pressing, this sake contains a lot of small sake lees.								
	The taste of this sake reminds you of fresh yogurt drink!								
Food Pairing	This nigori sake is fresh and sweet with creamy texture and it is very rich in "Umami".								
	It pairs well with crustacean, especially crab meat. When you eat "Korean BBQ" with this sake, it will stimulate your appetite!
