## Single Malt Whisky “Tamba” 2nd edition

***Our signature single malt has been updated. Main malt is matured in bourbon barrels, and we united it with other malt that additionally spent time in Sherry casks and Mizunara barrels.***

### Kizakura Tamba Distillery

Kizakura Tamba Distillery is located in Tamba Sasayama city in Hyogo. This area is a good location producing natural foods such as black beans and chestnuts. The city is also famous as the origin of “Tamba Toji”, a master brewer of Japanese sake.

Kizakura Tamba Distillery is surrounded by the deep green of the “Tamba forest” at an altitude of about 300 meters. The climate unique to the basin, such as clean air, an annual temperature difference of over 30 °C, and humidity high enough to cause fog. High-quality soft water suitable for brewing sake, which is also ideal for making Kizakura whisky. Every single condition could be a key element to make whisky pursuing our ideal.

### Tasting Notes

Color

Yellow gold
