Product Information	This is our new challenge, called "Kyoto Fusion Sake"					
	Kizakura twists traditional sake with a new flavor of Kyoto Matcha. It has a light Matcha flavor with milky and sweet honeydew flavor with a hint of pistachio.					
Food Pairing	Drink it as aperitif or digestif! Also, it can be used to make cocktails. (The picture shows a cocktail "Matcha Milk".)					
	You can use this fusion sake as a sauce for desserts. We suggest you pour this over vanilla ice cream! The Match flavor makes it a perfect dessert for adults♪
